

Dear Mrs Millie and the Holy Name Church Members,

I was not sure I would have time to do this but God is Good. Here is the updated photos of the children, your children, your sponsored children of the orphanage. I want to thank you for standing with us in the challenges of providing for these children. Thank you very much on behalf of the children, you have done miracles over the past 2 years.

Thank you. my many thanks are also addressed to the Holy Name Church members, they are great, compassionate, loving and kind to us all at Centre Vie. I have learned from your selflessness, Mrs Millie, you are so kind, respectful of the poor, you are a great Lady in the missionary work. Thank you.

Have a wonderful Year, I pray that we can work together for long time. The group photo is yours for your newsletter or other information to the church and the donors.

May the Lord grant you good health, May He grant you your heart desires.
May the Lord grant the church members FAITH, HOPE, LOVE and PEACE

TAHNK YOU,

HAPPY NEW YEAR

Dieudonne,
