### THE ASCENSION OF OUR LORD

*When the living presence of Jesus was taken away from His own, it did not mean they would have less of Jesus. Instead they would have Jesus in a sweeter, more intimate, more divine way. For when our Lord rose up to heaven, He took with Him all their hearts, minds and love. So is it with us. He is gone up to heaven, into the bosom of the Father, into the Father's love, and we ascend with Him, resting where He rests. In heaven there is no separation, but one life, one existence, we are one with our Lord as He is one with the Father. And this promised reunion makes everyday sweeter.*
